

Directions to Wesley Gardens

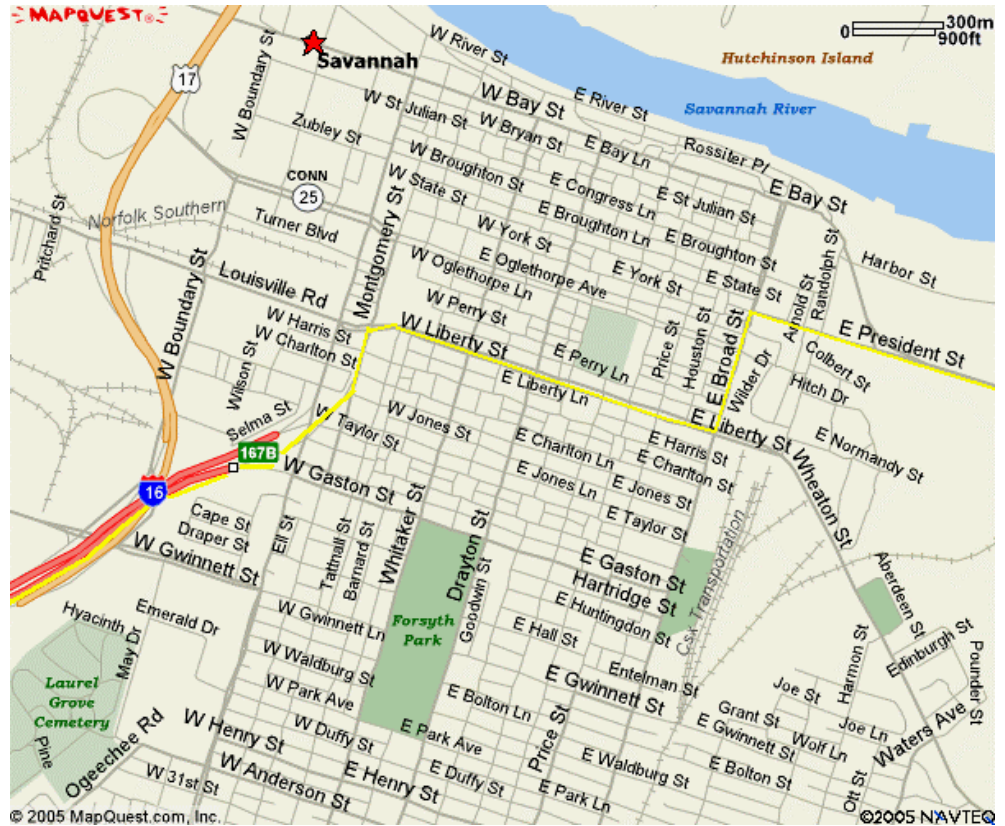

From I-95 North or South:

Take I-95 to I-16 East.

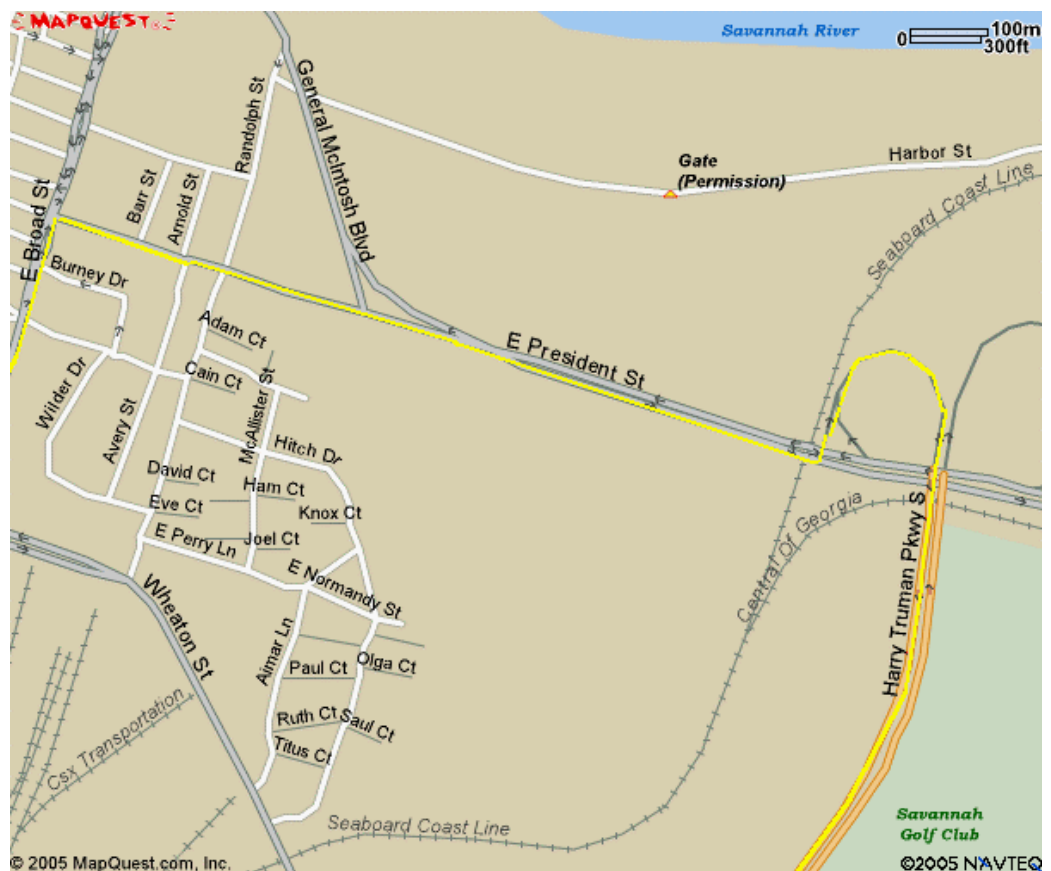

Stay on I-16 until it ends on Montgomery Street, then take your first right onto Liberty St.

Follow Liberty through town until you get to E. Broad Street.

Take a left onto E. Broad, then your second right onto President Street.

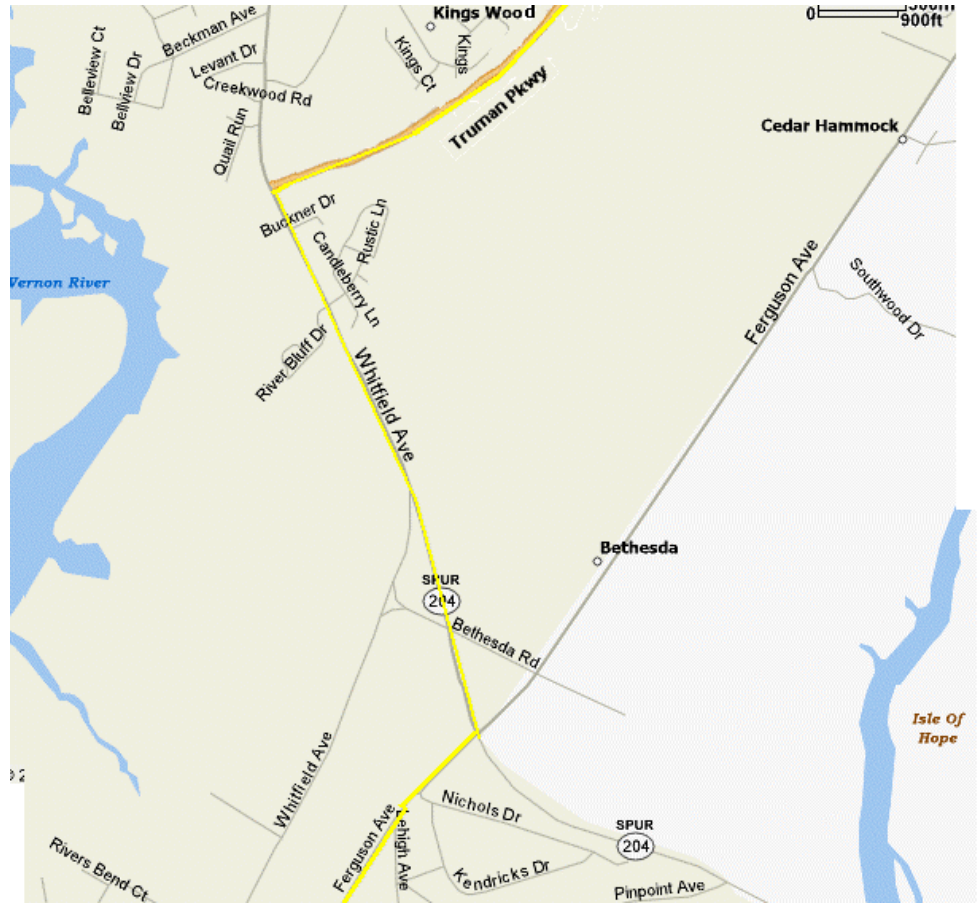

Get into the left-hand lane, and turn left onto the Truman Parkway.

Take the Truman Parkway to 204/Whitefield Ave.

Take a left at the end of the exit onto Whitefield.

Take a right at the second stoplight onto Ferguson Ave.

Ferguson will come to a “T” at Shipyard Rd. Take a left onto Shipyard.

After you go around a big, sharp curve, the road you’re on will become Beaulieu, and you’ll have to make a left turn (first left) onto Shipyard again.

You will go over a causeway, and you’ll see palm trees lining the road on either side.

The entrance to Wesley Gardens is after the causeway, on the left hand side of the road.
